

Town of Stantonsburg

Public Hearing Meeting Minutes

December 12, 2016

A public hearing was held to determine the overall level of local support for the preservation of the historic “seal” building’s façade and for various funding options to be discussed.

Mayor Edmundson and Town Clerk Tabitha Bailey were present. Councilman Dew and Councilman Bass arrived at approximately 6:05. Councilman Horne arrived at approximately 6:55. Town Manager Gary Davis was absent due to health issues.

There were approximately 17 people from the public present.

Mayor Edmundson called the public hearing open at 6:00 PM. All public citizens present were in favor of preserving the “seal” building’s façade. Several offered to help with any labor needed. The public also offered to help with fundraisers. When asked by Councilman Dew if they were willing to have their property taxes increased if necessary, there were no objections. After much discussion the public hearing was closed at 7:00.
