

SEPTEMBER 17, 2015

SEPTEMBER 14, 2015 CONTINUED

Mayor Bill Edmundson called the meeting to order at 7:00 PM with the following Council members present: Powell Dew, Jr., Robert Watson and Jackie Grice. Councilman Bass arrived at 7:05. Councilman Ken Horne was absent due to his work schedule. Also present were Town Manager Gary Davis and Town Clerk Debra Beamon.

The Council members reviewed the minutes for the September 14, 2015 meeting. Councilman Dew made a motion to approve and accept the minutes of the September 14, 2015 as written. Councilwoman Grice seconded the motion. All other members present voted favorably.

Next, Mr. Davis presented an update on the Water Tank Project. Mr. Davis indicated that the Town will be unable to provide the County with water during the project due to pressure differences between the two water systems. The Town will need to install a temporary bypass line equipped with a pressure reduction valve, a check valve, and a meter. Once this bypass is installed, both the County and the Town will receive water from the City of Wilson on a temporary basis during the project.

At this time, Councilman Watson made a motion to adjourn. With a second from Councilwoman Grice, all other Council members voted in favor of the motion.

Respectfully submitted,

Debra L. Beamon, Town Clerk, Finance Officer

William H. Edmundson, Mayor
